

Expression of interest window dates January 2023

Scheme	Summary	Window dates
Horticulture Development	<p>The Horticulture Development scheme is a Capital grant scheme available to existing commercial horticultural producers across Wales. The aim of the scheme is to:</p> <ul style="list-style-type: none"> • Support existing commercial horticultural producers to develop their businesses through investment in new equipment and technology that offer clear and quantifiable benefits to the horticultural enterprise. • Enable horticultural businesses to sustainably expand production, diversify into new crops, improve production efficiency and enhance product quality. • Enable horticultural producers to enter new markets. Increase local employment and support the rural economy as part of the green recovery from Covid-19. <p>The scheme is discretionary. The amount of grant offered would relate to individual circumstances and would always be the minimum amount necessary to allow the investments to go ahead.</p> <p>More information: https://gov.wales/horticulture-development-scheme</p>	5th December 2022 - 10th March 2023
Woodland Restoration Scheme	<p>The scheme offers financial support for capital works such as restocking, and fencing. A felling licence, felling licence application number, or a Statutory Plant Health Notice (SPHN) containing Larch is required with the EOI application.</p> <p>The budget for Round 2 is £1 million, which is available for successful applicants who will be able to complete all capital works and planting by 31 March 2024</p> <p>For this window, the mixed woodland categories have been updated. They now require a more diverse species mix. The maximum % of a single species has been reduced to 65% for Options W615, W618 and W619.</p> <p>More information: https://www.gov.wales/woodland-restoration-scheme-round-2-rules-booklet.html#:~:text=The%20Woodland%20Restoration%20Scheme%20(WRS, midnight%20on%20February%202023.</p>	16th December 2022 – 2nd February 2023
Small Grants - Woodland Creation Scheme	<p>For small areas of tree planting under 2 hectares. This scheme is aimed at farmers and other landowners to encourage planting of small areas of trees on land which is agriculturally improved or of low environmental value in Wales, therefore applications will not need a woodland creation plan verified by NRW.</p> <p>The scheme offers no loss of Basic Payment Scheme, 12 years of maintenance and premium payments, alongside an increased fencing rate of £5.56/m.</p> <p>More information can be found at the following link: https://gov.wales/small-grants-woodland-creation</p>	13th February 2023 - 24th March 2023 Further windows for applications will open 22nd May and 21st August 2023

Woodland Creation Planning Scheme	<p>The Woodland Creation Planning Scheme offers grants of between £1,000 and £5,000 to develop plans for new woodland creation. After a plan is successfully verified by NRW, it will be eligible for Welsh Government funding for tree planting and fencing (Woodland Creation Grant).</p> <p>More information can be found at the following link: https://gov.wales/woodland-creation-plan-scheme</p>	Open throughout the year (subject to budget)
Woodland Creation Grant	<p>For larger schemes (however the minimum area is only 0.25ha made up of parcels which are a minimum of 0.1ha) and those which do not qualify for the Small Grants – Woodland Creation Scheme.</p> <p>A woodland creation plan is required in advance. Funding is available through the Woodland creation Planning Scheme.</p> <p>The scheme offers no loss of Basic Payment Scheme, 12 years of maintenance and premium payments, alongside an increased fencing rate of £5.56/m.</p> <p>More information can be found at the following link: Woodland Creation Grant Sub-topic GOV.WALES</p>	<p>13th February 2023 - 24th March 2023</p> <p>(To be able to apply, you will need confirmation of a verified plan from NRW by 10th March 2023).</p> <p>Further windows for applications will open 22nd May and 21st August 2023</p>
Peatland Development Grant	<p>£100,000 capital funds are available as £10k-£30k grants to individuals and organisations for developing peatland conservation projects.</p> <p>The successful Round 2 Development Grant projects must be completed by the end of March 2024.</p> <p>These could then be projects ready for delivery in 2024/25, potentially funded through the Wales Peatland Action Programme, or other funding streams.</p> <p>All details and the application process can be accessed through the Wales Peatland Action Programme web page.</p> <p>All queries about the grant and application process should be directed to grants.enquiries@cyfoethnaturiolcymru.gov.uk</p>	8th November 2022 to 8th February 2023
